

Holy Fire

Lyrics and Music by Art Thomas

Verse:

Spirit of the Lord,
Bring my feet in step with Yours;
Open up my eyes to see
What You are doing.

There is no word to express
The joy in Your caress—
With it You empower me
In Your victory!

Pre Chorus:

O Holy Fire of God,
Pour out on our lives;
Burn away all my flesh so Christ can live inside!

I don't want to wander away from You anymore,
For Your Word has promised, "The pure in heart shall see the Lord!"

Chorus:

Open my eyes to the light of the King;
Let me now with the angels sing:
Holy! Holy!

I want to walk in Your fullness, God—
I want to run where the angels trod—
I want to see Your face,
So Holy Fire, burn my flesh away!
